

FILE OF PRESS FOR MAISON CACHAREL

Collection «Dentelle»

A draft of tiny flowers gold or silver colour, discreetly charming, slightly drawn like lace . «DENTELLE » with abstract flowers invites us with a feminine and delicate flatware.

Collection «Fairy Garden»

Cacharel helps us in discovering a fairy garden through its new flatware collection with gourmand colours and voluptuous shapes . This explosion of colours leads us to imaginary world...

Collection «Butterfly»

Pureness of design , colour softness, and the skilful mixing of dots and Butterfly creates a modern and amusing flatware .

Collection «Spring Summer n°2»

Cacharel 's collection equips itself with a new flatware Spring Summer delicately combining new patterns gold colour with vanilla background colour porcelain . The mixing of patterns, the specificity of the trade mark...

Collection «Waikiki»

The Waikiki arabesques , very gourmand for beachwear or else sophisticated for the bath fulfils us with fantasy and softness.. Inspired from « Polynesia", Waikiki invites us to evasion ...
